02:26
from Romans chapter 7 verse 14 to 15 for
02:31
we know that the law is spiritual but I
02:33
am of the flesh sold under sin for I do
02:36
not understand my own actions for I do
02:39
not do what I want but I do the very
02:42
thing I hate Heidelberg catechism
02:44
question number 114 but can those
02:48
convert it to God obey the ten
02:51
commandments perfectly answer no in this
02:55
life even the holiest have only a small
02:58
beginning of this obedience nevertheless

03:01
with all seriousness of purpose they do
03:04
begin to live according to all not only
03:07
some of God's commandments that
03:09
concludes this week's announcements now
03:17
everybody please stand up let's worship
03:20
the Lord Psalm 5 verse 7 2 verse 8 David
03:31
said this but I through the abundance of
03:34
your Steffes love will enter your house
03:37
I will bow down towards your holy temple
03:40
in the fear of you leave me O Lord in
03:44
your righteousness because of my enemies
03:48
make your way Street before me let us
03:52
bow our heads and look up to the Lord in
03:54
prayer
03:55
oh dear Heavenly Father you are a
03:58
gracious God and we know that it is
04:01
because of your abundant love that we
04:03
can enter your temple to worship you
04:05
today if you did not give us your only
04:09
Son Jesus Christ who dare to stand
04:12
before you so now when we come to your
04:14
presence we pray that you may give us a
04:17
joyful heart so that we may give thanks
04:20
for your grace that has been shown upon
04:23
us and we also pray that you may put
04:25
fear into
04:27
heart as well because sometimes in your
04:29
hearts you are too small and you are too

04:31
nice
04:32
you're like a center but you are not a
04:34
wonderful and majestic God dear lord
04:37
please open up our mind and open up our
04:40
heart so that we can see your holy
04:44
majestic and we cannot but bow down
04:49
before you and worship you and tremble
04:52
before you and dear Lord we also pray
04:54
that you may lead us you may guide us
04:56
according to your holy law so that we
04:59
may walk in your righteousness dear lord
05:02
please prepare the hearts of all
05:04
attendance of everyone who comes to your
05:07
presence please lead us to see your
05:10
glory and be transformed by your glory
05:13
we pray in Jesus name Amen
05:17
now let's sing the first hymn to worship
05:20
the Lord please stand and join me in
05:27
singing the first hymn man of sorrows
05:38
no sorrows Lamb of God by his own
05:47

17:06
third day he rose again from the dead he
17:09
ascended to heaven and is seated at the
17:12
right hand of God the Father Almighty
17:14
from there he will come to judge the
17:17
living and the dead I believe in the
17:20
Holy Spirit the Holy Catholic Church the
17:23
communion of saints the forgiveness of
17:26
sins the resurrection of the body and
17:28
the life everlasting amen now please be
17:34
seated today's sermon is listen up now
17:40
let us invite Jasmin to lead us to read
17:43
today's scriptures today we have an
17:50
assortment of scriptures so I recommend
17:53
you to just look at the scripture on the
17:56
screen instead of flipping through your
17:58
Bible but you're always welcome to do so
18:00
during the sermon when you have some
18:02
more time it's just there are a lot of
18:04
verses for today proverbs 9 chapter
18:07
proverbs 9 verse 7 to 8
18:10
whoever corrects a scoffer gets himself
18:12
abuse and he who approves a wicked man
18:15
incurs injury to not reprove a scoffer
18:18
or he will hate you reprove a wise man
18:20
and he will love you proverbs 10 verse

18:24
17
18:25
whoever heeds instruction is on the path
18:27
to life but he who rejects reproof leads
18:31
others astray proverbs 12 verse 5
18:34
whoever heeds instruction is on the path
18:37
to life but
18:38
he who rejects reproof leads others
18:41
astray that's the same verse anyway
18:44
proverbs 12 verse 15 the way of a fool
18:48
is right in his own eyes but a wise man
18:50
listens to advice proverbs 13 verse 1 a
18:54
wise son hears his father's instruction
18:57
but a scoffer does not listen to rebuke
18:59
proverbs 13 verse 13
19:02
whoever despises the word brings
19:04
destruction on himself but he who
19:06
reveres the commandment will be rewarded
19:09
proverbs 13 verse 18 poverty and
19:12
disgrace come to him who ignores
19:14
instruction but whoever heeds reproof is
19:17
honored proverbs 14 verse 7 leave the
19:21
presence of a fool for there you do not
19:24
meet words of knowledge proverbs 17
19:27
verse 10 a rebuke goes deeper into a man
19:30
of understanding than a hundred blows
19:32
into a fool proverbs 19 verse 27 sees to
19:36
hear instruction my son and you will
19:38
stray from the words of knowledge and

19:40
last verse proverbs 23 first verse 12
19:44
apply your hearts to instruction and
19:46
your ear to words of knowledge those are
19:49
the words of the Lord all peace to you
19:55
brothers and sisters in the series of
19:58
lectures centered on words we've learned
20:01
when to shut up
20:03
and when to speak up today let's focus
20:06
our attention another topic listen up
20:11
there are four main points for this
20:14
topic first listen with humility and
20:17
second listen with discernment and the
20:20
third listen with mercy and the fourth
20:22
listen with patience however since we
20:26
must finish the worship service at
20:28
around the two o'clock
20:29
I would only talk on the first main
20:31
point for today so listen with humility
20:35
so first let us bow hats and pray to the
20:39
Lord
20:40
oh dear honey father we thank you for
20:46
giving us your inerrant and holy and
20:49
living word we'll pray that you
20:52
plant your word into a heart to enable
20:55
us to walk by your word we pray in Jesus
20:59
name Amen
21:02
lots of Sunday after the worship service
21:05
those young people who came to the

21:07
church they did not want to leave so
21:10
they went upstairs and chatting they
21:13
were so happy and excited and you could
21:16
hardly drive them home so today go home
21:19
it's not stay here and then the leaders
21:22
chatted with each other how was your
21:25
life and home going when will you go
21:27
back to school which place we may go to
21:30
visit after the coronavirus crisis oh
21:32
poor charlie when will you get your
21:34
driver's license and some of you knew
21:38
that the day the day right before the
21:41
road tests Charlie was notified stay at
21:43
home and wait for further notice in the
21:46
digital age although it is so convenient
21:49
for us to communicate online but croon
21:54
of ours shows to us that we are indeed
21:57
social beings we desire fellowship in
22:00
person and we want to see real human
22:02
face and hear real human voice I told
22:07
you the news before Verizon it's a very
22:10
large telecommunications provider in
22:12
u.s. you can regard it as American tell
22:16
us or rotors it it reported that in
22:19
crooner bars crisis Americans are
22:23
talking so much on phones to the degree
22:26
that every day every normal day they
22:29
talk as much as they have talked in

22:31
previous mother's days and those whose
22:35
job is to give their customers a phone
22:37
call reported that before coronavirus
22:40
crisis as as you already knew the
22:43
customers just wanted to hang up as soon
22:46
as possible who want to talk to you
22:48
right
22:49
but during coronavirus customers are
22:52
waiting to hear and talk more let's talk
22:55
let's continue to thought so in a time
22:57
of stress and under quarantine we desire
23:02
to talk and
23:03
fellowship or the more loving an
23:06
accountable community like the church
23:09
like our family offers us great
23:13
opportunities to talk and have the
23:16
in-person fellowship with other people
23:18
however in such a loving and accountable
23:22
community we cannot emir li chat about
23:25
school about family life where to travel
23:27
we need to have meaningful talks giving
23:31
each other constructive advice so as to
23:35
build each one up let's first look at
23:39
proverbs chapter 12 verse 15 it says the
23:43
way of a4 is white in his own eyes but a
23:47
wise man listens to advice so what are
23:53
the meaningful advice we needed to talk
23:55
and listen to there are generally two

23:59
kinds of advice in the Bible or in the
24:03
book of Proverbs specifically one is the
24:06
positive instruction and the other one
24:09
is correction first positive instruction
24:14
proverbs chapter 19 verse 27 says 19:27
24:20
sees to hear instruction my son and you
24:23
austrie from the words of knowledge so
24:28
hear instruction refers to the teaching
24:31
of the words of knowledge the good and
24:35
biblical precepts and principles that
24:38
shape us as we grow emotionally mentally
24:42
and spiritually by the lectures on
24:46
proverbs we've learned many instructions
24:49
like when to shut up and when you speak
24:51
up how to deal with the problem of anger
24:55
laziness pride
24:57
beware of the various means of
25:00
temptation we've received many
25:02
instructions however no one no one of us
25:07
can obey the instructions perfectly so
25:11
when we stray from them we also need the
25:13
second kind of advice that is
25:16
correction let's look at proverbs
25:19
chapter 13 and verse 1
25:21
a wise song hears his father's
25:24
instruction but a scoffer
25:27
does not listen to rebuke here in 13 1
25:33
instruction refers to rebuke or

25:36
correction it means when weak meat sings
25:39
speak in proper words or do something
25:42
wrong someone comes up to us telling us
25:46
our thoughts and urging us to admit our
25:50
faults and change our behaviors brothers
25:55
and sisters in the church or in a
25:58
Christian family beside the chair for
26:01
fun let's also instruct each other the
26:03
biblical truth and Christian values
26:06
correct and confront each other I know
26:11
in some churches or even in many
26:13
churches people dare not confront each
26:15
other because they fear they may offend
26:18
other people all the church leaders or
26:21
the fellow Christians may persecute them
26:24
because of their confrontation but I
26:26
hope in this church we may create an
26:30
atmosphere in which you may correct each
26:34
other even mist pong or May or on go
26:37
chill on the city freely
26:39
I hope our church can have this kind of
26:42
atmosphere so beside instructing and
26:46
correcting other people we ourselves
26:48
also need to pay attention to all forms
26:51
of instructions sermons informal
26:55
conversations or teaching in Sunday
26:58
school and take other people's
27:01
confrontations in Romans chapter 15

27:04
verse 14 Paul said this to the brothers
27:08
and sisters in the church in Rome Paul
27:11
said this I myself am satisfied about
27:15
you my brothers that you yourselves are
27:18
full of goodness filled with knowledge
27:21
and able to instruct one another so
27:26
after you received instructions after
27:28
you got the knowledge
27:30
instructor one another in this way we
27:33
may build each other up and girl
27:36
together there are two kinds of advice
27:40
we should listen to instruction and
27:43
correction but do you really like to
27:47
listen to them do you really like them
27:49
no after I was baptized in Helen and
27:53
Elena's age my parents instructed me
27:57
repeatedly as a Christian now you must
28:01
read their Bible and pray every day did
28:03
you read your Bible can you share with
28:04
us what you read sometimes I became so
28:07
impatient do not bother me why do you
28:10
say the same thing again and again
28:12
because you did not listen we don't like
28:15
instructions
28:16
especially repeated instructions the
28:19
same instructions again and again as
28:21
sickness we are prideful who want to be
28:25
taught if we hate instructions we hate

28:29
Corrections all the more who are you why
28:33
do you criticize me take care of your
28:35
own business leave me alone
28:37
so next let's look at how to listen to
28:41
instruction and correction what should
28:44
it be our attitude to word them we must
28:48
receive them into our hearts let's look
28:53
at proverbs chapter 23 verse 12 chapter
28:57
23 verse 12 it says apply your heart to
29:02
instruction and your ear to the words of
29:05
knowledge and proverbs chapter 17 verse
29:10
tanks as a rebuke goes deeper into a
29:14
mass understanding there a hundred blows
29:17
into a four so we must let both
29:21
instruction and the correction go deeper
29:23
into our mind and deeper into our hearts
29:27
and how to how to first soak yourself in
29:32
the biblical instructions soak yourself
29:35
in the people lake instructions how
29:38
could the sayings in the video games
29:40
come to some young people's mind
29:43
suddenly many times a day even while you
29:47
are sleeping the sing of intense battle
29:50
in the game may pop up in your dreams
29:53
you spend too much time on video games
29:56
you stare at to the screen hours and
29:59
hours a day in same way to fill your
30:03
mind and heart with biblical

30:05
instructions first we must spend time on
30:09
it read the scripture listen to sermons
30:13
talk at home and in Sunday School class
30:16
about biblical teachings
30:19
besides spend time on meditating and
30:23
memorizing soak yourself in the
30:25
atmosphere of the Bible if you do so I
30:30
promise that the word of knowledge will
30:33
be stored up in your mind and it will
30:36
pop up in your mind suddenly many times
30:39
a day and quite often I was encouraged a
30:44
young man in this church to memorize the
30:47
scripture and I told him that I once
30:50
memorized
30:50
Romans chapter 1 to chapter 8 before but
30:54
he asked me now do you still remember
30:57
chapter 1 to chapter 8
30:59
can you still recite them I said I could
31:02
not I cannot right now but while I was
31:06
memorizing them I went through Romans 1
31:10
to 8 for more than two hundred times so
31:14
in in that period of time the ideas
31:17
about the Romans came to my mind quite
31:19
often whenever I have a spare time the
31:22
ideas about the Romans came to my mind
31:24
and even until today some very
31:27
fundamental and important principles in
31:30
the Romans they are stored up in my mind

31:34
already
31:35
so memorize so yourself in the Bible and
31:39
there you can feel your mind and your
31:42
heart with the Scriptures repeatedly
31:47
listen to God's Word and that's why I
31:50
want to encourage your parents do not be
31:52
frustrated why my children just don't
31:55
listen
31:56
it takes time for your children to
31:59
receive instructions teach them the same
32:02
thing repeatedly and frequently in this
32:06
way you can fix and settle the
32:08
instructions in the mind of your
32:10
children in the coronavirus crisis I
32:14
have more time to teach my daughter
32:17
since she does not go to dig here and
32:19
she stays at home and I've told her the
32:22
short catechism that Uncle Joe gave me
32:24
for over three times and I remember one
32:29
day my wife asked me there were 100 H
32:31
questions in that book your daughter
32:35
cannot memorize them I said I know but
32:37
so what I will teach her again and again
32:40
and again and she will remember she will
32:43
remember just to teach them repeatedly
32:46
in the book of Ecclesiastes chapter 12
32:50
verse 11 it says the words of the wise
32:54
are like goats and like nails firmly

32:57
fixed on the collected sayings so just
33:03
like we drive a nail into a wall so in
33:05
the same way we fix teaching into the
33:09
children's mind but how to so how do we
33:11
knock nail in the wall I once made this
33:14
illustration before just a fan just just
33:17
at one blow no it won't work
33:19
you must have Bambang right successive
33:22
blows in this way you can feel your
33:25
children's mind with your teaching with
33:28
my parents repeated and frequent
33:31
instructions read our Bible pray read
33:33
the Bible and pray and I forgot how many
33:35
times I have listened to their
33:37
instructions but a good thing is this so
33:41
on to you today I've read my Bible from
33:43
the very beginning to the very end for
33:45
over 30 times already I listened to that
33:49
instructions although I thought they are
33:51
bothering me all the time
33:53
okay so first soak yourself in the
33:56
instructions but that's it not enough
33:59
we should further let ourselves be
34:02
guided the instructions be guided by the
34:06
instructions
34:08
the belief we hold and the conviction we
34:12
bear our different belief is something
34:16
we confess something we profess to

34:18
believe something we even think we
34:21
believe while conviction something that
34:26
we truly believe it is a strong and true
34:30
belief deeply hidden in your hearts that
34:33
it affects the way we leave for example
34:37
a lot of Chinese people claim to be
34:39
atheists and they think they're atheists
34:42
they do not believe afterlife however
34:45
even today you can see man in Chinese
34:48
people were fake cash or credit card or
34:52
paper car or paper house to the dad and
34:55
in the majority of Chinese people fears
34:58
walking by the graveyard at night and if
35:01
you ask them why do you fear man spot
35:04
material when he dies he becomes ashes
35:07
but I fear ghosts but you are atheists
35:10
you believe all that exists it's a
35:13
material yes I do but I fear still see
35:17
people may claim to be a atheist but the
35:21
way they live shows their conviction is
35:24
that material is not all that exists so
35:29
similarly to be familiar with the
35:31
biblical instruction is not enough even
35:34
to think biblical instructions are good
35:37
it's not enough we must make that
35:41
resolution to let the instructions guide
35:44
my words deeds and thoughts let the
35:48
instructions affect my way to leave so

35:52
leave and read your Bible with this
35:55
resolution and aim gradually gradually
35:58
the Word of God would go deeper into a
36:01
heart and become your conviction and
36:04
change your whole person so young people
36:09
be wise
36:11
listen humbly to instructions and
36:14
corrections do not be fools force won't
36:19
listen
36:21
let's look at proverbs chapter 9 verse 7
36:24
2 verse 8
36:26
whoever corrects a scoffer gasps himself
36:30
abuse and he who reproves a wicked man
36:34
incurs injury do not reprove a scoffer
36:40
or he will hate you reprove a wise man
36:44
and he will love you
36:47
proverbs chapter 9 verse 7 2 verse 8
36:49
mentions a specific kind of force what
36:55
are they a specific kind of force they
36:59
are mockers and scoffers or markers or
37:03
scoffers because they are the same kind
37:06
who are they and what are their
37:08
characteristics in the book of Proverbs
37:12
there there are three kinds of fools why
37:16
is the simple most simple one is the is
37:21
open-minded okay open mind it seems good
37:24
right they are open to all sorts of
37:26
ideas they love to listen to different

37:28
kinds of advice but here it is a bad
37:31
thing it means he is not committed to
37:34
anything therefore he is easily tossed
37:37
to and fro by every window of teachings
37:40
while he was reading the Bible and read
37:43
about how God created the world he said
37:45
to himself well the world is made by God
37:48
while at school the teacher said to him
37:51
there's no God the world as it is today
37:54
is formed by lumpier weird evolution he
37:58
then thinks well the theory of evolution
38:00
is more convincing actually but back to
38:02
the church after a sermon about creation
38:05
he thought okay maybe in the world is
38:07
indeed created by God but back to school
38:09
his idea changed again so this is the
38:12
person who is simple he's easily
38:15
influenced by any idea he hears about he
38:20
was confused and he listens to
38:22
everything he receives everything
38:25
another kind of force are those who
38:28
never wants to listen to the teaching
38:30
from the Bible
38:32
we reject it all the time do not talk to
38:35
me about a god about a Bible or about
38:38
Christian doctrines I don't want to
38:40
listen I will close my ears please don't
38:43
talk to me

38:44
the worst amount of force the most
38:47
foolish among the force are the mockers
38:50
and scoffers did not only ignore the
38:54
wise instructions but also they
38:58
aggressively criticize and ridicule
39:01
those who dare to instruct or correct
39:04
them who argue that you dare to Creta me
39:07
you're such a loser you know nothing
39:09
did you see the love in your own eyes
39:11
proverbs 9 7 again whoever cracks a
39:15
scoffer guess himself abuse the scoffer
39:20
will abuse you if you dare correct them
39:22
scoffers not only counter-attack those
39:26
who correct them they even try to
39:29
influence other people to follow them do
39:32
not believe Christianity Christians are
39:34
outdated and their Pickers open your
39:38
mind
39:38
there are many sinful pleasures are open
39:41
to you do not miss them they are
39:44
discovers the criticize those who
39:47
correct them and they even try to
39:50
influence those people who dare to
39:53
correct them proverbs chapter 9 verse 7
39:57
2 verse 8 teaches us when you meet
40:00
someone who never wants to take
40:01
confrontation who even loves to
40:03
criticize and ridicule you when you try

40:06
to give them some advice in love and
40:09
kindness get away from them never start
40:13
a serious relationship with him so if
40:17
you found a person who is a scoffer do
40:19
not make a friend with him or her do not
40:22
a date with him or her if a pastor
40:26
behaves like a scholar who refuses to
40:29
take confrontations who refuses to
40:31
instruct it to be corrected all the time
40:34
leave that church never start a serious
40:39
relationship with a scoffer
40:41
or with the mark
40:43
in order not to be force we must
40:47
understand why fools do not want to
40:50
listen why I will mention two reasons
40:54
why force want to listen to people eco
40:58
and good instructions why is this they
41:01
only listen to themselves they only
41:04
listen to themselves let's look at
41:06
proverbs chapter 12 and verse 15 the way
41:11
of a fool is white in his own eyes but a
41:16
wise man listen to advice
41:19
a wise man listens to advice why force
41:23
don't listen to advice they are prideful
41:28
they are right in their own eyes they
41:31
only listen to the voice of their own
41:33
hearts only to follow our own hearts and
41:36
do our own whale is singer's basic

41:41
characteristic look at Adam he wants to
41:44
be God for himself
41:46
he doesn't want to listen to God why I
41:48
must have a god higher than me
41:51
I want to make decisions by my own whale
41:54
freely as Adam's descendants we all
41:58
inherit this characteristic of Adam we
42:02
only want to listen to ourselves living
42:06
in the modern age we are more inclined
42:10
to listen to ourselves you know people
42:13
in the Middle Ages even though they did
42:16
not believe in God they have to submit
42:19
to the Church's authority as they had
42:22
nothing else but the teachings of the
42:26
church although the Christian teachings
42:29
at their time were distorted in contrast
42:34
modern people
42:35
blatantly deny the Christian teachings
42:39
they deny the personal God they don't
42:41
need to submit it to God's Authority and
42:44
listen to God rather they believe
42:47
themselves they believe that beginning
42:50
by ourselves by our by our own reason
42:53
and intellect
42:55
can find what is true and what is good
42:57
as modern people we listen to ourselves
43:01
all the more some of young people in
43:04
this being this church once told me I

43:07
believe in my own reason and my own
43:10
intellect
43:10
honestly I don't believe in anybody I
43:12
don't believe my parents I don't believe
43:14
my teacher I can discover the truth
43:17
those very fundamental questions about
43:19
life by myself some 14 to 15 years old
43:23
people talk to me in this way that is
43:27
the spirit of modernism beginning by
43:32
myself I can find the truth but it just
43:36
to tell you the truth even da Vinci the
43:39
super genius he failed I think I fell
43:42
into despondency and into depression
43:45
when he got old however remember this we
43:50
are we are sinners although you want to
43:52
find truth by yourself remember this we
43:54
are sinners we were born with a regional
43:57
saying with a corrupted and sinful
44:00
nature therefore we are inclined to do
44:04
evil so if you only listen to yourself
44:07
and do your own will you will definitely
44:11
go astray from God and Psalms 58 3 says
44:16
the wicked are estranged from the womb
44:20
and they go a tree from birth speaking
44:24
lies at the moment when we were born we
44:29
began to want to go astray from below
44:34
Mort in history
44:37
Puritans place particular emphasis on

44:41
instructing and correct and correcting
44:43
their children why why they believe that
44:47
children if left to themselves are
44:51
inclined to follow their own evil whale
44:55
so we must change it here we must teach
44:58
you to follow the Lord but not your own
45:01
will and your own heart Susanna Wesley
45:04
that she's the mother of the famous John
45:07
Charles Wesley and
45:08
she nurtured the 10 children in family
45:11
and in a letter to her friend about how
45:14
to discipline children she said the very
45:17
first thing parents must do is to
45:19
conquer children's will shield us more
45:24
than two hundred years ago
45:26
she taught this in order to form the
45:30
minds of children the first thing to be
45:32
done is to conquer their will and bring
45:35
them to an obedient temper to inform the
45:40
understanding is a work of time and mas
45:43
with children preceded by slow degrees
45:46
as they are able to bear it
45:48
but the subjecting of the will is the
45:52
thing that must be done at once and must
45:55
be done early and the sooner the better
45:58
for by neglecting timely correction they
46:02
will contact a stubbornness and
46:04
obstinacy which is hardly ever afterward

46:09
conquered and never without using such a
46:13
severity as would be as painful to me as
46:17
to the child put simply if children are
46:23
not trained to have their way or
46:25
conquered at an early age in the future
46:28
it would be way harder to conquer their
46:31
will than to inform their understanding
46:36
it is harder to conquer the whole so
46:40
young people according to our sinful
46:42
nature every one of us we are willful we
46:46
don't want to listen to God or any other
46:49
person conquer your sinful will submit
46:53
ourselves to God's will as early as
46:56
possible train yourself to listen to
47:00
godly instructions and corrections not
47:04
only does the fool love to listen to
47:07
himself when they finally are willing to
47:11
listen to someone else he only listens
47:14
to another fool so the second reason why
47:18
we resist
47:20
godly instruction and correction is this
47:22
we only love to listen to other force
47:26
who are just like us let's look at
47:29
proverbs 12 verse 5 the thoughts of the
47:36
righteous are just the counsels of the
47:40
wicked are deceitful why do we love to
47:44
listen to the counsels of the wicked
47:47
rather than of the righteous chapter 12

47:52
verse 5 gives us the hint
47:54
did you see the word deceitful did you
47:58
see the word to be sniffle deceitful why
48:01
do we love to listen to the counsels of
48:03
the wicked because they are deceitful
48:06
because they will not tell us the truth
48:09
that way hey listen rather they pander
48:13
to the foolish desires in your hearts it
48:17
is another way for us to listen to our
48:20
own hearts they do not tell us what we
48:24
need to hear they only tell us what we
48:27
want to hear that is flattery today we
48:32
can get wicked consoles from Manning
48:35
people beside us friends classmates or
48:38
fellow workers I once visited a
48:43
teenager's family the girl had a really
48:47
bad relationship with her parents she
48:49
just wanted to rebel against them in
48:53
order to make them sad but her friends
48:57
at school never advised her to listen to
49:01
her parents and have the broken
49:02
relationship restored rather they
49:05
invited her to smoke at home in their
49:07
parents absence or to drink alcohol in a
49:11
bar until midnight
49:12
her parents often worried about her
49:15
safety the bad consoles may come from
49:19
fellow workers as well let me talk to

49:22
you did you ever see an adult who never
49:24
smoked drink alcohol who never speak
49:27
cause words in this way they pander to
49:30
people's a desire to look like a real
49:34
adult
49:35
and even Christians in the church may
49:38
give us stupid consoles I was such a
49:43
church the church leader was seen
49:46
against many members and when never the
49:49
church members tried to confront the
49:51
leaders the leaders just refused a
49:54
confrontation and he just have tried to
49:56
cover up all his faults the result
50:00
almost a half of the members left their
50:03
church but can you guess what did those
50:08
who stay say to the pastor those who
50:12
stay in the church tried to encourage
50:14
their pastor and they encouraged him in
50:16
this way do not be frustrated those who
50:19
do not like you they have left so now
50:22
you can build out your job ok so that is
50:26
the advice those Christians give to
50:28
their pastor but that is a foolish
50:31
console so young people discern which
50:34
consoles are good which consoles are
50:37
nothing but what do you want to hear and
50:40
discern who will give you righteous
50:43
consoles and who always talk to you what

50:47
you want to hear and lead you astray
50:50
that's why next week we're going to talk
50:53
you must listen with discernment do not
50:56
just receive the console you want to
50:58
listen to reject bad consoles and leave
51:02
the wicked consider proverbs chapter 14
51:07
verse 7 says leave the presence of a
51:09
fool for there you do not meet words of
51:14
knowledge leave the force to listen
51:19
humbly is a crucial lesson for all of us
51:22
as it is a matter of life and death are
51:28
you kidding me if I turn deaf ears to
51:31
biblical instructions and Corrections if
51:33
I only listen to my heart and others who
51:36
flatter me I will die no I'm not kidding
51:40
that's what the Bible tells us let's
51:44
look at proverbs chapter 10 verse 17
51:48
whoever heats instruction is on the path
51:51
to life and chapter 7 chapter 13 verse
51:56
13 says whoever despises the word brings
52:00
destruction on himself why so what it is
52:05
a matter of life and death
52:08
biblical instructions and corrections
52:10
come essentially from Jesus Christ and
52:14
they ultimately point us to Jesus as
52:18
Jesus is the very source and embodiment
52:21
of godly wisdom so if you reject the
52:26
biblical instructions and the

52:28
corrections always it indicates you
52:32
reject Jesus Christ and His salvation
52:36
and the you are doomed to eternal
52:39
judgment turn to Jesus listen to him
52:44
humbly and obey Him if we turn to Jesus
52:48
and obey Him we shall not perish but
52:52
have eternal life
52:55
furthermore we will be blessed even in
52:59
the present life proverbs chapter 13
53:03
verse 18 says poverty and disgrace come
53:08
to him who ignores instruction but
53:12
whoever heeds reproves is honored
53:17
proverbs are promises that though not
53:21
absolutely they'll not absolutely but
53:24
generally come true in this life so in
53:29
this road to those who refuse to listen
53:32
to godly instruction in a correction
53:34
they would in all probability suffer
53:38
from dishonor poverty and poor health
53:42
but to those who listen to God humbly
53:46
God promises richest health honor grace
53:51
all sorts of blessings so you want you
53:57
you want to get blessings from God then
53:59
listen to him and Haise in
54:02
instructions humbly may God lead us to
54:06
listen to him humbly and enjoy the
54:09
blessings he promises so this is the
54:13
message for you for today now let us bow

54:16
our heads and look up to the Lord in
54:18
prayer
54:19
oh dear Hamlet father we know that we
54:23
are prideful sinners and we reject wise
54:28
instructions and attractions often we
54:32
pray that you may put a humble heart
54:34
within us so that we may open our ears
54:37
to your wise and godly instructions and
54:41
corrections we pray that you may lead us
54:44
to walk in your instructions and receive
54:47
and enjoy your blessings therefore we
54:50
pray in Jesus name Amen now let's sing a
54:55
hymn to respond to the message please
55:03
stand and sing our last him there is a
55:06
hope
55:10
[Music]
55:32
so that burns within my gives me
55:38
strength for every passing day from some
55:45
lorina revealed and meager part that
55:49
tribes all towns away I started Christ
55:57
